## The Future is Now: Moving SPDAs to 100% e-App

e-App Submissions Required for All Access and Performance SPDAs  
**Starting October 1**

United Life is implementing a digital-only application submission process to make doing business simple and easy. Our e-App delivers many benefits including faster processing time, quicker commission payouts, accelerated compliance and much more!

If you are new to e-Apps, we've created a site with helpful resources to help you get started at [eapp.united.com](https://eapp.united.com).

Here's a timeline as we migrate to 100% e-Apps for Access and Performance SPDAs:

Submission method	Now thru Sept. 30, 2024	Oct. 1-31, 2024	Nov. 1, 2024, and after
e-App	Preferred	Preferred	Accepted
Paper (paper apps will be removed from agent site on Sept. 30)	Accepted	Accepted during this one-month transition period.	Not accepted, NIGO. Any funds submitted will be held and advisor notified to use e-App.
